## SELECTION DU SOMMELIER

### BLANC

#### Viognier, Domaine de Triennes, Provence '08

*Triennes is the result of a partnership between Romanee Conti's Aubert de Villaine and Domaine Dujac's Jacques Seysses. The two sourced vineyards in Provence and make use of the indigenous grapes offered to them. The wine is 100% viognier.*

glass 10 / bottle 40

### ROSÉ

#### Bandol, Domaine Tempier '09

*Perhaps the most perfect summer wine. Domaine Tempier has made their rosé in Provence since the 1850's. A blend of Mourvedre, Grenache, Cinsault and Carignan, this rosé is much more than an apertif wine.*

bottle 79

### ROUGE

#### Gamay/Cabernet Franc, Ah! Wines, El Dorado County, Bebame '08

*A Loire Valley-inspired blend from artisanal winemaker Steve Edmunds. Bebame is literally translated as "drink me" in Spanish. Fruit driven and elegant, but with a touch of spice and sauvage.*

glass 11 / bottle 44
